Premium Synthetic Bristle – Short Handle – Acrylic & Oil

Premium Bristle for Peak Performance. Princeton's Aspen™ combines benefits that are important to artists: the brush retains its shape for control and placement of color, paint releases and glides evenly off the synthetic hairs. The brush can be used with all acrylic and oil paints including water-soluble oils. The non-glare ferrule makes Aspen™ perfect for outdoor painting. A beautiful brush only surpassed by its performance.

- Retains its shape and durability
- Easy to clean
- Non-glare ferrule
