Series 4950

Synthetic Bristle – Short Handle – Acrylic & Watercolor

Customers are drawn to series 4950 for its unique and striking design. Angled satin ferrules are mounted to seamless crystal clear acrylic handles. When they pick one up, customers are sold. 4950 has a solid weight and feels great in your hand. The hair tuft is constructed of premium tapered synthetic and interlocked for long-term retention of shape.

- Holds and retains exceptional point
- Interlocked synthetic for shape retention
- Beveled scraper handle
