## Series 6600

### Synthetic Mongoose – Long Handle – Acrylic & Oil

Once a popular choice for oil painters for its medium to firm touch, natural mongoose is no longer available. Fortunately, our synthetic mongoose is comparable to the originals quality, yet more durable and affordable. Synthetic mongoose performs beautifully in all viscosities of oil and acrylic paint.

- Designed for fine detail
- Comfortable touch handle
- Stiffer than Sable and softer than Bristle

Stiffness ●●●○○○  
 Acrylic ●●●●○○  
 Watercolor ○○○○○○  
 Oil ●●●●●●

#### Angle Bright
